Heavy Duty Electro Klene

Product Description

94052 Heavy Duty Electro Klene quickly loosens and removes heavy oil, grease, dust, dirt, and other residue from electrical and mechanical assemblies. Designed for high strength, heavy duty cleaning in electronic manufacturing, bench repair, and field service applications.

Heavy Duty Electro Klene provides rapid and powerful cleaning of electronic equipment such as industrial controls, motors, computers, printers, office machines, TVs, stereo equipment, optics, and other precision instruments. It will not damage most PCBs, components or markings. The non-flammability and excellent dielectric properties of this solvent make it suitable for cleaning some equipment while in operation.

Heavy Duty Electro Klene is formulated for solvent resistant components such as connectors, contacts, relays, tuners, servos, switches, solenoids, PCBs, motors, disc drives, capacitors, and similar electronic components. This high strength cleaner is NOT designed for use on polycarbonate, polystyrene, ABS, display panels, or other solvent sensitive materials or coatings.

94052 Heavy Duty Electro Klene ADVANTAGES

- Evaporates quickly and leaves no residue.
- Non-flammable and non-conductive.
- Contains an environmentally friendly, non-CFC cleaning solvent.

Uses

Use **94052 Heavy Duty Electro Klene** loosens and removes heavy oil, grease, dust, dirt, and other residue from electrical and mechanical assemblies

Direction for Use

Read label before using. Remove the safety tab on top of sprayer. For best performance, insert extension tube and control the spray rate with the trigger. Hold can 1-3 inches from surface to be cleaned. Spray generously to loosen and flush away dirt and contaminants.

Storage and Handling

Use only in well ventilated area. Do not puncture or incinerate container. Contains gas under pressure. Do not expose container to heat or store at temperatures above 120 °F. Keep container away from and do not use near sparks, open flame, heated surfaces, or other ignition sources.

Packaging

94052 Heavy Duty Electro Klene is available in:

- 12-can case of 12 oz cans Part # 94052
